Description

This tastefully updated beauty is sure to appeal to even the most discerning buyer. Escape from the bland monotony of newer cookie cutter construction and find HOME in this custom-built classic. Gorgeous, mature landscaping welcomes you to this brick front, 5 bedroom (or 4 bedroom + bonus), 2.5 bath home. Gleaming hardwood floors, a stunning formal dining room, a cozy family room, and a natural light-filled SUN ROOM are only part of the main level. A modernized kitchen completes the interior of this rare find in a highly coveted Cary location. Sit on your remodeled deck and enjoy the view of your very own backyard nature retreat. The perfect home and a rare taste of serene outdoor privacy makes this home the ONE! New Roof, New Carpet on 1st and 3rd Floors and freshly painted! Close to Bond Park and the beautiful White Oak Greenway. Please see Features Sheet for a full list of all improvements and upgrades.
