Description

Mathraki apartments, a unique choice on an beautiful small island! Mathraki apartments are located on the little known island of Mathraki, in a distance of 4 nautical miles from the port of Agios Stephanos (NW) Corfu or from Corfu town's main port, if you wish to take your car. It is an island with 50 permanent residents during the winter and about 150 during the summer period. The rhythms of the island are slow and relaxing, making it feel like a personal paradise. Mathraki apartments are the one of the three rental properties on the island. The building is set in a 2200 m² land and it has 6 studios and 2 double bedrooms. A wonderful roof terrace can be used to enjoy the sunrise over Corfu island! It has a beautiful garden, sea views and space for a pool, with the beach being just 20m away. The island has also two tavernas and a café can be found on the main village just 5 minutes drive away.
