Description

A beautifully renovated apartment in the heart of Corfu Old Town. This immaculate apartment is located on the top floor (4th) of a historic building in the area of Agias Sofias, in amongst the cobbled streets of the old town. Light pours in from the double aspect windows which overlook the pretty rooftops of the city. Patio windows open out onto a small balcony overlooking the town and mount Pantokrator in the distance. The property has a good sized double bedroom, spacious shower room and open plan kitchen/dining/sitting area. The kitchen is fully equipped with a dishwasher, microwave, oven and free standing fridge. The apartment has been completely renovated by its current owners and now features parquet floors, double glazed windows, new plumbing and electrics and is being sold fully furnished. There is air conditioning installed in the sitting room and bedroom. A great opportunity to own a piece of Corfu history, in a prime location with excellent rental potential.
