Description

A three bed three bath lateral apartment on Princes Gate. The property is positioned on the third floor of this charming stucco fronted building which faces east to west. Complete with a lift to all floors and concierge it offers an ideal home or London based in a brilliant location. The main living space features wide plank oak flooring, coving, and sash windows. The kitchen is separate from the main living space, boasts a pantry, and has space to dine. It is bespoke with built in appliances, stone tops and stone floors. The two main double bedrooms sit on the east side of the building with the principal providing an en-suite with shower while the family bathroom houses a bath tub. Both bedrooms have built in bespoke wardrobes and storage. The final bedroom is also a suite and sits on the west side by the reception room. The apartment is air conditioned and for sale chain free with a long leasehold.

Situation One of London's most prestigious areas bordered to the north by Hyde Park, to the south by Chelsea, with Belgravia sitting east and Kensington west. Princes Gate was opened in the mid-19th century and takes a prominent position by Imperial College, a short stroll from many of the capital's museums and some world renowned shopping attractions to include Harrods. Hyde Park and Kensington Gardens are within 0.4 miles, offering ample green open space, and transport links are plentiful via South Kensington and Knightsbridge underground stations.
