Description

PROVENCE - SIMIANE LA ROTONDE: Splendid tastefully renovated stone house with extensive garden. Pool possible. - Check out this charming property near Simiane la Rotonde! This character-filled gem boasts 200 sqm of living space, offering a delightful blend of old-world charm and modern comforts. Step inside to discover three generously-sized living rooms and a well-appointed kitchen. The property features three large bedrooms and two bathrooms, providing ample space for relaxation and privacy. Several terraces invite you to unwind outdoors while soaking in the breathtaking mountain views that surround you. The allure continues with rustic stone walls, exposed beams, and timberwood floors, adding a touch of history and warmth to the atmosphere. A swimming pool can be created and a garage and storage room provide convenient space. A noteworthy highlight of this enchanting estate is the old covered barn, offering an opportunity for renovation and expansion. It is a picturesque property in an idyllic location amidst lavender fields, close to Mont Ventoux
