Description

Absolutely stunning STERPARK home! It's worth seeing this gorgeous two-story house. If you're looking for a house outside of an estate that checks all the boxes, this is it. There are 2 lounges, an open-concept dining area, a TV room, and a stunning kitchen with wooden cupboards, granite countertops, and a gas stove. Moreover, there are 2 bathrooms and 2 bedrooms downstairs. A gorgeous en-suite bathroom with a shower and a bath is located in the master bedroom. Also, the bedroom has a sliding door that leads to the lovely pool, which is encircled by a wooden deck. 3 Bedrooms, 2 baths, a study, and a pajama lounge are located upstairs. An alarm system and an electric fence are used to secure the property. There are 3 garages and a carport for about 5 more vehicles. No dry days in your home, there are 3 JoJo tanks with pressure pumps. Do not delay, phone today.
