Description

These recently constructed condo units, located in the heart of Monterey Park, boast six stories of 84 residential units, two central gardens, and a spacious multifunction room. The elegant central gardens which include shaded areas to lounge and dine alfresco come with professional landscape views: the verdant neighborhood and the magnificent view of the mountains. With their prime location in bustling Monterey Park and close to the I-10 freeway, you will experience the growing cultural diversity, active recreation, and contemporary living that the city has to offer. Nearby shopping areas and landmarks include the Atlantic Times Square shopping plaza, AMC, 24 hours fitness, Ralphs, and a new Marriott hotel near the I-10. Each unit was thoughtfully designed for your comfort and enjoyment with large windows for an abundance of natural light and include reserved parking spaces within the private residential parking garage to ensure your security. Find your new home with us today!
