Description

Charming 4-Bedroom Tri-Level Home in Harvey Park, Denver Welcome to this maintained tri-level home in the heart of Harvey Park, located in southwest Denver. Built in 1955, this solid brick home offers classic charm with modern comforts, making it the perfect place to call home. With 4 bedrooms and 2 bathrooms, this home is designed for both relaxation and functionality. The inviting layout includes a living room, a bright and airy kitchen, and a versatile 4-season heated room that adds 224 approximately square feet of additional living space. For a total living space of 1612 sf. (County shows the house as 1,388 SF). This bonus room is perfect for a home office, reading nook, or playroom, and it connects seamlessly to the attached garage, providing convenience and practicality. The home has been well-maintained over the years, preserving its mid-century appeal while offering modern updates to suit contemporary living. The large backyard offers plenty of space for outdoor activities, gardening, or simply enjoying Denver's beautiful weather. Nestled in a quiet neighborhood, you'll love the sense of community in Harvey Park, with its tree-lined streets and nearby parks. Plus, the location offers easy access to schools, shopping, dining, and major highways, making it ideal for commuters and families alike.
