Description

9/29/24 OPEN HOUSE HAS BEEN CANCELED. MULTIPLE OFFERS RECEIVED. Priced well Below a recent \$840,000 appraisal. Exquisite home with High End renovations completed throughout including \$25,000 Bi-Fold patio doors in the living room and Primary bedroom that were added after the recent appraisal. The 26-panel solar system is owned. This home provides the Desert Lifestyle with all the amenities and features you are looking for. Upon arrival you will be excited to see the lush landscaping, beautiful entry and garage doors and updated exterior finishes. The entry way ushers you in to this open floor plan designed for multi-generational households or extended stay guests. The formal living room and dining room is the heart of the home with a wet bar area which makes this the perfect Entertainer's lay out. The kitchen is upgraded with KraftMaid cabinetry, quartz counter tops, upgraded black stainless-steel appliances along with all the details you would expect in a high-end renovation. The flooring throughout the entire home is beautiful Quartz tile. The family room features the Bi-fold doors that create that indoor/outdoor living space, a welcoming fireplace and is open to the kitchen with a breakfast bar area. There is a bedroom and full bathroom situated on one end of the home providing privacy from the rest of the house. The other side of the home is anchored with the 3rd and 4th bedroom and an additional full bathroom. The Cabinetry throughout the home is all matching with underlighting and beautiful hardware. There is a sitting area/library nook just outside the Primary suite entry. The primary suite is privately located at the rear of the home and features the bi-fold doors that open up to the pool/spa area and add that inside/outside living vibe the desert allows year-round. The primary bathroom is your private sanctuary with an oversized shower and dual vanity. The 3-car garage is finished with tile flooring and is climate controlled with a mini-split air conditioner. The back yard features a pool and spa along with lush landscaping, it is like owning your own private 5 star resort. Every detail of this home has been meticulously thought out from the exquisite light fixtures to every detail flowing from room to room seamlessly. Low HOA along with owned solar add to this home's affordability. Homes of this magnitude are rarely available, come fall in love and make it your very own Desert Oasis.
