Description

A large family home in excellent condition just outside the village of Kinopiastes and within 20 minutes of Corfu Town and Agios Gordios beach. Situated in a residential area on the outskirts of the village of Kinopiastes, this large family home is well looked after and has a lot to offer. Spread over three floors, the main entrance leads into a spacious ground floor level with multiple balcony doors leading out to the covered terraces and garden. To the left is the formal sitting and dining area, complete with open fireplace. On the other side there is another, second sitting room with energy fireplace and a slightly separate, large family kitchen. A door leads from the kitchen to a laundry room and out to the rear of the house. There is also a guest WC on this level. A wooden staircase leads to the first floor where there is a large master bedroom, two double bedrooms and a bathroom plus a separate WC. The attic space is currently used as storage, but it could be converted into further living space, or even a separate apartment. Outside there is a lawned area to the front of the house which offers enough space for a small pool, plus private parking at the side. The house is located a 20 minute drive from Corfu Town, and is also close to the beaches of Agios Gordis and Glyfada on the west coast of the island.
