Description

Prime location in Stonehenge Subdivision on quiet cul-de-sac w/quick access to North Bentonville Trail, Bike Playground, Bark Park & I-49. Recently updated 5 bedroom, 4.5 bath home w/oversized 3 car garage. Spacious 3 level home is perfect for entertaining or relaxing with family & friends. Step inside main level to an inviting entry, formal dining, office, & living room w/high ceilings & tons of natural light. Retreat to main level primary suite w/private deck & spa-like bath w/heated floors & heated towel bar, dual vanities, separate custom shower, soaking tub & large closet. Kitchen, casual dining & sunroom are flanked by a wall of windows overlooking back deck surrounded by mature oaks. Upstairs features 3 bedrooms & 2 baths. Walkout basement provides added space for guests w/family room, fireplace, wet bar, exercise room/flex space & 5th bedroom w/en-suite bath. Relax on the ivy-covered private courtyard to sounds of charming water fountain. Beautiful 0.62 acre wooded lot. Home tenant occupied, vacating 11/15.
