Description

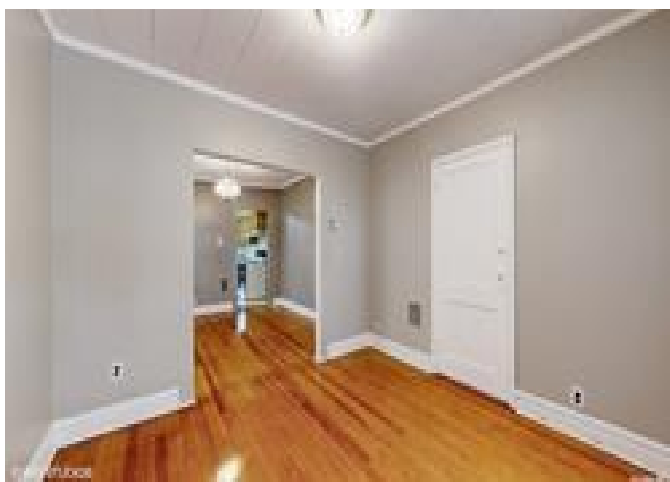

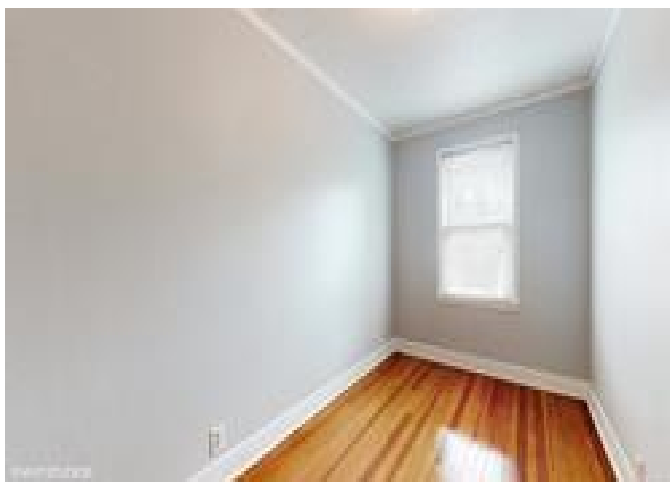

Large 2 family home with the first floor apartment having 3 bedrooms, eat in kitchen, living/dining area and full bath. Second floor apartment is the same with 4 bedrooms. The basement is an open concept with a full bath, laundry area, heating area and access to the backyard. The property offers you access to parking and your own backyard as part of a shared driveway. Located near plenty of shops, parks, schools, both public & private, including St. Stan's, and public transportation and the M Train on Metropolitan Ave. This property is in great shape with recent replacement of the roof, heating system and windows.
