Description

A lovely open-plan family village house in the traditional village of Agios Mattheos. Aqua House is located on the edge of the village of Agios Mattheos, in a large plot with lots of potential for future owners. There is ample space surrounding the house for private parking or landscaping. Entering the house you come into a lovely bright open-plan living and kitchen/dining area with a feature wall open fireplace and a mezzanine floor above. On this level, there is also a shower room, guest WC and a good-sized bedroom. On the mezzanine floor, there are two more bedrooms, a WC and lots of open-plan living space. A door leads to the large back terrace overlooking the property grounds. There is more land behind the home but this has largely been left and has some olive trees on at the moment. Agios Mattheos is a lively but traditional village that is open all year with tavernas, cafes, bakery, butcher, supermarket all within walking distance of the house. Paramona beach is just a 5 minute drive and the famous sandy Halikouna beach is about a 15 minute drive.
