Description

Oceanridge Drive is known as the "Gold Coast of Brightwater," and this 4439 SF home ideally located on the quiet interior boasts a spacious floor plan with sophisticated style. This Plan 4 Breakers model features a highly desirable main floor guest suite with a loft and four additional bedrooms upstairs including an expansive primary retreat with a finished closet and spa-like bathroom with a massive shower, separate soaker tub, plenty of storage and dual vanities. This home is elegant and classic with upgrades throughout including specialized trim and moldings, wood floors, wrought iron accents, fixtures, custom finishes. The gourmet kitchen is a chef's dream, with endless cabinets and an open concept, ideal for entertaining and offers Sub Zero and Wolf stainless appliances. The seamless flow to the outdoor sanctuary creates the perfect atmosphere for indoor/outdoor living. Adorned by lush foliage and blooming flowers the backyard oasis features a saltwater pool and spa, a custom-built pergola with ample seating space and a built-in BBQ. This home has beautiful curb appeal and is steps from the quaint and inviting Bolsa Chica Wetland trails. Excellent schools, parks, world class beaches, boating, entertainment, shops, dining, and activities are minutes from this home ideally situated inside the coveted prestigious Brightwater community.
