Description

This luxurious 310 square meter maisonette in Elliniko is for sale, featuring two levels (basement and ground floor). The property includes a private garden, a large heated infinity pool with counter-current swimming, hydro massage, and a large shared pool with an outdoor shower..Located in the prestigious Elliniko area, at the heart of The Hellenikon Project by Lamda Development, this maisonette offers significant investment potential. The ground floor features living spaces with a kitchen, one master bedroom, and a guest WC. The basement includes a playroom, two large master bedrooms with en-suite bathrooms, a second kitchen, and a guest suite with its own bathroom. The basement opens onto an external garden for natural light and ventilation. Modern amenities include underfloor heating, cooling, Daikin heat pumps, smart home pre-installation, a complete alarm system with cameras, high-speed internet, and luxury Italian fixtures.
