Description

Nestled in the heart of Vouliagmeni, this luxurious 302 square meter maisonette is a true gem along the stunning Athenian Riviera. It boasts four spacious bedroom suites, perfect for families, making it an ideal choice for those who appreciate elegance combined with convenience. This exquisite maisonette is designed for high-end living, offering modern amenities and high aesthetic appeal. It includes an independent heating system, underfloor heating, and climate control, ensuring comfort year-round. The home is equipped with energy-efficient aluminum frames and double glazing, rated A++ for energy efficiency. Additional features include a service room, elevator access, an internal staircase, and a state-of-the-art security system with cameras. The stunning panoramic sea views provide an idyllic backdrop, making this property not just a home but a lifestyle. Currently available for rent, pricing is upon request. A truly exceptional offering from VHD Luxury Properties, this property is perfect for those seeking a sophisticated living experience in one of the most desirable locations in Athens.
