Description

Located on the 2nd hole of the Ruby View Golf Course, this spacious home has it all! RV Parking! 3-Car garage! As you enter, you're greeted by the formal 2-story foyer. The main level of this home is perfect for entertaining with a formal living room that is open to a lovely formal dining room. The dining room has built-in cabinetry and offers access to the backyard. The custom kitchen includes chiseled-edge granite countertops, a gas cooktop, double ovens (including a convection oven), stainless steel appliances, pantry & more! There is also a prep/bar sink for added convenience! The entire back of the home has amazing views and several access points to the gorgeous backyard featuring a newer redwood deck (w/built-in bench seating), pristine florals & a large dog run. Upstairs, you'll find a large primary suite with its own private balcony, remodeled master bathroom with a jetted tub, tile shower w/dual shower & a massive walk-in closet! There are 3 additional bedrooms w/walk-in closets + 1 bathroom upstairs. The basement offers a Game Room, 2 large bedrooms + bathroom & cold storage/wine cellar. The home's solar panels cut your power bill to LESS THAN \$20/month! Come see!
