Description

Backing to wooded common ground, you will discover this spacious, well-maintained home in the sidewalk community of Cranberry Heights. Boasting a new roof and a newer furnace, you can move right into this immaculate home with an amazing useable backyard! Curb appeal is highlighted by a concrete drive, walkway and covered front porch. Enter the two-story hardwood foyer, naturally lit by a new palladium window. The foyer opens to the living room with two windows and crown molding. A spacious dining room boasts hardwood floor, crown molding and a chair rail. The amazing two-story great room has two-story windows and a marble-surround fireplace. The kitchen has a center island/breakfast bar, updated granite tops, a subway tile backsplash, a spacious pantry and a large dining area. Sliders lead to a fabulous, vaulted covered screened rear porch with fans. The powder room with hardwood flooring and a laundry area completes the first floor. Ascend the split staircase to the second floor with a landing window and overlook, and four spacious bedrooms with fans. The hall bath features a new granite top. The vaulted primary bedroom includes a spacious walk-in closet and a vaulted bath with ceramic floor, a corner tub, separate shower and double basins. The huge walk-out lower level has a game room, play area, full bath a possible fifth bedroom space.
