## Description

Set on nearly half an acre, this impressive two-story home features a grand front elevation with a side-entry garage that preserves its clean and elegant look. Inside, you'll find a soaring two-story living room with tall windows, a cozy corner fireplace, and an open layout flowing into the kitchen and dining areas. The kitchen granite countertops, an island, a built-in desk, and a pantry. The formal dining room seats 8+ and is designed with two recessed niches, providing ample space for showcasing a buffet or china cabinet. The primary suite is located on the main floor and features double tray ceilings and an en suite With an oversized jetted tub, separate shower, dual vanities, and a walk-in-closet. A convenient half bathroom, completes the lower level of the home. Upstairs, a loft overlooking the living area, leads to a private balcony, along with three additional bedrooms and a full bath. The backyard is spacious and includes fruit bearing pear, fig, and pomegranate trees, a covered patio, and wood privacy fencing. Meticulously maintained, including a new roof less than three years old!
