Description

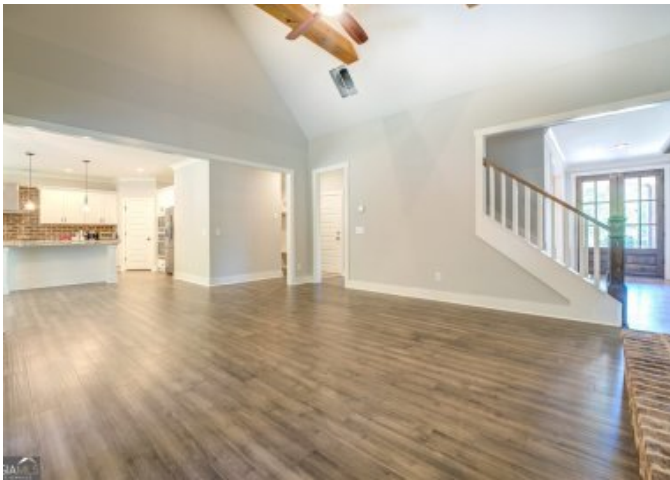

Experience the exceptional craftsmanship in this beautiful move-in ready home in the very desirable Riata community located just minutes from 175. As you walk in the front door you will begin to notice the level of detail; wood coffered ceilings in the dining area, attractive crown molding and wood beams in vaulted living room. The spacious kitchen with large island, propane cooktop, wall oven and microwave, pantry, shaker style cabinets and a granite countertop you will just have to see to appreciate its beauty. The master suite is on the main level with vaulted ceilings, farmhouse style door going into the luxurious bathroom with a long double vanity, walk-in closet, freestanding tub and oversized step in tile shower. Upstairs is a hall bathroom shared by two bedrooms, while the third upstairs bedroom has its own private bathroom. Other features include a half bath on the main level, laundry room, drop bench in the mud-room area, as well as a 3 car garage. Outside the home has a covered vaulted back patio with fireplace, a fire pit located on the back of the yard and sprinkler system. The exterior of the home Hardie siding and brick for a low maintenance home. So many outstanding features, you will have to see the home to appreciate all it has to offer.
