Description

In the most beautiful countryside setting, with gorgeous views, this pretty three bedroom villa has much to offer. On the hillside in a peaceful olive grove, this lovely villa has been built with comfort and seclusion in mind. Over three floors, the villa has a comfortable living area with a fireplace and spacious modern kitchen on the ground floor, with large patio windows opening onto a balcony. From here the views reach across to the mountain and olive groves on the opposite side of the valley. The balcony is the perfect place to relax and take in the atmosphere. Upstairs there is a spacious double bedroom with en-suite bathroom. The other two bedrooms are on the lower level, each with en-suite shower rooms and access to the pool terrace. The swimming pool and large sunbathing terrace is on a lower level. There are plenty of pretty areas to sit in the shade of the olive trees, or sunbathe. There is also a large covered seating area, ideal for outside dining. A very pretty house in a picturesque location, perfect for either year round living or a holiday home.
