## Description

This house offers approximately 3,060 square feet of living space with five bedrooms and four bathrooms. The open concept living area provides ample space for entertaining and relaxation. The property features a casita, a pool, and mountain views, making it an ideal setting for those seeking a peaceful and scenic environment. The home is conveniently located near old town La Quinta, providing easy access to shops, restaurants, and other local amenities. The large primary bedroom suite offers a serene and private retreat, with ample space for a sitting area or personal office. The additional four bedrooms provide flexibility for guests, home offices, or multi-generational living arrangements. The four-bathroom layout ensures convenience and privacy for all occupants. Outdoor features include a putting green, a three-car garage, and a covered barbecue area, creating opportunities for recreation, hobbies, and al fresco dining. The property also offers space for RV parking, catering to those with recreational vehicles or storage needs. Overall, this property presents a well-appointed and versatile living environment, suitable for a variety of lifestyles and needs. Property has been used as a successful seasonal rental property. Rental history is available for review at time of accepted offer.
