Description

Attention all homebuyers! We are excited to present this stunning 2 bdrm, 2 bth 1st floor condo that is available for sale. This beautifully updated unit boasts a wealth of amenities and features. The interior has been tastefully decorated and the seller is open to including some or all of the furnishings in the sale. All windows have been upgraded to impact glass, providing peace of mind and added security. The entire space has been meticulously maintained and ready for you to move right in. This home offers the best of both worlds. Don't miss out on this opportunity to own a piece of luxury living. The Casino project will most likely raise the value substantially in my opinion. No upcoming assessments or condo fee increase. AC, 16 HWH 14.
