Description

Talk about turnkey! This magnificently re-imagined home has been remodeled from top to bottom. Detached on three sides and w/ multiple skylights, it is a full of light 4-BDR, 4 full bathroom home w/ an open floorplan ideal for effortless living & entertaining. The top floor features an expansive living room w/ a fireplace, a lg dining area, a chef's kitchen designed w/ Bertazzoni SS appl, a wine fridge & a wall of windows boasting extensive views of McLaren Park's lush trees & manicured fields. This level also includes 2 BDRs that face the backyard to enhance privacy & 2 baths. The primary bedroom has a grand en-suite complete w/ a soaking tub & separate shower. The lower level has a second independent entrance w/ a welcoming foyer that leads to a lg bedroom w/ high ceilings, an en-suite bath & a walk-in closet plus a 4th baths & 4th BDR that could ideally double as an office. Access to the back patio, a laundry closet & the 2-car garage wired for your EV charger completes this level.
