Description

Located in Lancaster's desirable and historic West End neighborhood, this property is the definition of "lovingly remodeled"! Featuring newly finished hardwood floors, freshly remodeled kitchen and bathrooms, an updated, efficient gas furnace, and newer central air, this property will offer years of worry-free homeownership. Within walking distance of Franklin and Marshall's campus and just minutes from downtown Lancaster, this isn't your typical cramped city home - with 4 beds and 1 1/2 baths, this home is spacious! It also offers the convenience of off-street parking. If the stunning interior isn't enough for you, you can even enjoy the great outdoors from the comfort of the maintenance-free composite front porch or back patio. Don't miss your opportunity to schedule a showing of this charmer today!
