Description

Calling All Investors.....Welcome to this exceptional multi-family home that offers unparalleled comfort and versatility. This property features two generously sized units, each with spacious bedrooms, making it perfect for anyone looking for a little extra room to breathe. Outside, you'll enjoy the convenience of an oversized 2-stall garage, 122 feet of road footage including 3 lots and offering ample space for vehicles and additional storage . A great opportunity for gardening, outdoor activities, or family get-togethers. Imagine transforming this extra space into a vibrant garden, play area, or a perfect spot for summer BBQs and celebrations. Separate Utilities makes it easy to rent out and not have to worry. This property seamlessly combines spacious living with practical amenities, making it an ideal choice for those seeking comfort and functionality. Come and experience the perfect blend of space, convenience, and potential in this exceptional multi-family home!
