## Description

This immaculately maintained split-level home is in mint move-in condition, offering a blend of comfort, style, and functionality. The Eat-In Kitchen boasts stunning granite countertops and sleek stainless steel appliances, perfect for both everyday meals and entertaining guests. The cozy den features a wood-burning fireplace and a slider leading to a beautifully landscaped backyard with a Trex deck, providing an ideal outdoor space for relaxation and gatherings. Inside, the home also includes a spacious formal dining room and a bright, airy formal living room with a skylight, filling the space with natural light. The main bedroom offers ample closet space with potential room to add a private master bath. The updated bathrooms are stylish and functional, and throughout the home, you'll find Anderson windows offering excellent insulation and natural light. Recent updates include a new roof with solar panels for energy efficiency and a new central air conditioning (CAC) system to keep you comfortable year-round. Hardwood floors run throughout, accented by crown moldings that add a touch of elegance to the rooms. There are plenty of closets for storage, and a finished partial basement adds more usable space. The home also includes an attached garage and a fenced yard for added privacy and security. Bose speaker, New Stucco Siding And Stunning Pavers With a prime location and all these wonderful features, this home truly has it all-Location, Location, Location!, Additional information: Interior Features:Lr/Dr
