Description

HanoverVilla Lolita is the epitome of contemporary Caribbean architecture. The tree lined driveway leads to an impressive entrance and the cool shade of the porte-cochere. The double door entry opens to an expansive living and dining area which extends to a large wrap around terrace with stunning views out to sea. This 2500 square foot terrace surrounds an infinity lap pool and includes an outdoor dining gazebo, wet bar and ample space to lounge and sunbathe. The villa has three levels with the main floor having a TV room, two spacious bedrooms with en suite bathrooms and a large primary suite with a private plunge pool and outdoor shower. The lower level has two more en suite bedrooms while the lowest level provides a large suite complete with it's own living area and private outdoor terrace. The 6th bedroom with en suite bathroom and gym are located at the garden level below the main terrace. The 3 and 3/4 acres is terraced and the garden is beautifully landscaped with a variety of palm trees. Villa Lolita is sophisticated, relaxing and provides complete privacy while being within easy reach of all the amenities at the club. Viewing by appointment only.
