Description

Better than new. Welcome to the Dunbar model! Over \$33,000 of builder upgrades and \$33,000 of seller upgrades. This Estate series home is on a well-landscaped lot and in the Ashford subdivision of Candler Hills in OTOW. The home has three bedrooms, three baths and a three-car split garage. The home boasts LVP flooring, tray ceiling and plantation shutters throughout. As you enter, you will be greeted by a stunning glass insert front door with glass side panels, all under the sheltered front porch. As you walk into and through the foyer, you will see a custom built-in bar with built-in cabinets and lighting as well as a bar refrigerator just off the main great room living area. This home was designed for entertaining. The kitchen is completely upgraded. It boasts top-of-the-line stainless steel appliances, such as a gas cooktop and hood, a built-in oven and a microwave. The kitchen also features quartz countertops, a stylish backsplash, a walk-in pantry, soft-close cabinet doors and drawers, with a large quartz island. The spacious living and dining area is ideal for hosting gatherings. The living room features a tray ceiling. The primary bedroom also has a tray ceiling, and a luxurious en suite with a beautifully tiled, zero-entry walk-in shower, a large vanity with a quartz countertop, dual sinks and a walk-in closet complete with a closet system. A desired feature with the walk-through laundry to the main closet. The second bedroom is an en suite for the comfort and privacy of guests. The third bedroom can double as an office or den and it has a closet, so it is a true third bedroom. The laundry room is well-equipped with wall, a storage and shelving unit. The lanai features top-of-the-line window treatments making it the ideal spot for unwinding and savoring the evening. This home has a split three-car garage design, both are oversized. The third garage has plantation shutters. Don't miss out on this amazing home.
