Description

WELCOME HOME to this 3-bedroom, 2.5-bath home that has been lovingly maintained by its owners for over 60 years. It offers warmth and charm at every turn. You'll love the curb appeal with brick siding, a lush green lawn, double carport, and detached single-car garage. Both the home and garage received windstorm-certified roofs in 2019, and the HVAC (inside & out) was replaced in 2024 as well. Inside, you'll feel an immediate sense of comfort and function with two inviting living areas, a spacious kitchen featuring a moveable breakfast bar, pantry, and plenty of dining space, and a thoughtfully designed split bedroom arrangement for added privacy. The utility area leads to a cozy covered patio overlooking a beautiful fenced backyard, perfect for relaxing or entertaining. The backyard offers convenient access to the garage, storage, and extra covered parking. This property is the perfect blend of practicality and cozy living. Its a home that's waiting for cherished memories to be made! unknown x unknown
