Description

A perfectly situated townhome with 4 bedrooms, 2.5 bathrooms and one car garage. Built in 2021, this home is a corner unit with direct lake views. Added features include laminate flooring on the second floor and an open kitchen overlooking a spacious family and dining area. Extra natural lighting and peacefulness exudes throughout thanks to being on the corner with no direct neighbor from the northeast side. Community includes a new pool, clubhouse, playground, and walking trail. Enjoy quick access to major attractions and highways. Miami Gardens is thriving community, with new developments and investments, including Tesla's presence, Formula 1 events, and the upcoming Miami Gardens City Center project.
