Dana Bay is a conservancy set in the heart of the Cape Floral Kingdom with over 85 bird species including a colony of black oystercatchers. Bushbuck, steenbok, mongooses and Cape francolins roam freely and schools of up to 500 dolphins are spotted regularly and whales during whale season. Come and be part of the Dana Bay Conservancy community and experience a lifestyle desired by so many. It forms part of the Garden Route and access to George Airport via the N2 is only 35km.
