## Description

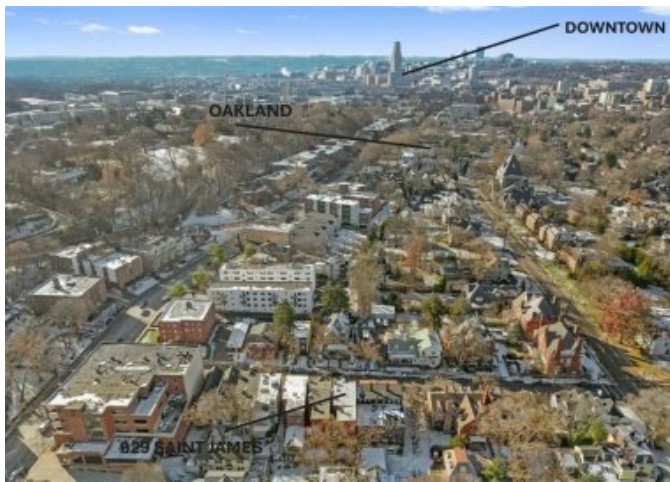

Prime Shadyside location! Arguably one of the most sought-after streets in all of Shadyside. The location couldn't be better just blocks from the great dining and shopping that Walnut Street provides while you enjoy easy access to town, Oakland, Squirrel Hill, and the rest of the east neighborhoods courtesy of 5th and Ellsworth Avenues. This picture-perfect Victorian has 5 spacious bedrooms, 2 full and 1 half baths and has all the amazing details and charm one would expect but priced significantly less than most surrounding homes in this location. The more notable amenities include 2 updated separate HVAC units, in-laid oak and beautiful pine flooring, a double door main entry, stunning crown molding, wainscotting, custom built-ins, a spacious dining room, and light and bright kitchen with both providing direct access to the private brick rear patio and courtyard. Other features include recessed lights throughout, ample storage and closet space, and a huge basement. What an opportunity
