Description

This modern farmhouse offers 5 bedrooms and 4 levels of luxury. Designed by Madison-based Casa Vita Builders, the home reflects their commitment to quality with high end materials that emphasize quiet elegance. Imported tile, warm 4 inch oak floors, custom cabinetry, and thoughtful details point to expert craftsmanship. Enjoy the peaceful, friendly neighborhood from the spacious bluestone porch. Belgian block and Techo-Bloc pavers complete the oversized driveway. The Hardie Plank exterior, custom trim, and oversized windows invite you into a bright, open floor plan. Picture mornings gazing through large double doors leading to the manicured yard. The designer kitchen features quartz countertops, floor-to-ceiling custom cabinetry and a stunning walnut island. Thermador appliances make meal prep effortless. A built-in pantry with walnut and glass doors keeps things organized and adjacent mudroom adds convenience. Stylish staircases lead to a finished lower level, while the 2nd floor highlights include a master suite and 3 sunny ensuite bedrooms. The 3rd-floor offers abundant flexible space to meet your needs. Oversized windows bathe the home in natural light and beautiful fixtures create a soft, ambient glow throughout. Neutral colors and stunning bathrooms complement any style. Ideally located close to outdoor activities and a vibrant downtown. NJ Transit Midtown Direct offers quick NYC access. One of NJ Monthly's "Best Towns". Your search ends here. Settle in and enjoy!
