## Description

Discover your dream home on Big Pine Key at this expansive 37,500 sq. ft., property totaling 6 lots that combines privacy, nature and convenience. Nestled in a serene setting with tropical landscaping and thoughtful features, this home offers a massive yard that goes from street to street and is surrounded by a 6' stockade fence allowing lots of safety and room for kids and pets to play and roam. The 3 Bedroom 2 Bath home offers an open floor plan highlighted with soaring ceilings and garden views from all rooms with no neighbors in sight. The kitchen is a culinary delight with a central island with peninsula seating, wood cabinetry and abundant counter space. Whether you're preparing a gourmet meal or a quick snack this kitchen is equipped for it all. A convenient pantry and a laundry closet add to the functionality, ensuring everything has its place. Enjoy morning coffee or evening cocktails on either the front or back porch while watching key deer roam. The home's split floor plan provides privacy and comfort. The primary suite is a private retreat with a walk-in closet and a en suite bathroom. Additional bedrooms feature engineered hardwood floors and offer plenty of space for family or guests. The property's outdoor spaces are nothing short of extraordinary. Two tranquil ponds on either side of the lot enhance the peaceful ambiance and can be filled using the private well. A large cistern is used for watering the grounds, abundant in native and lush landscaping creating a serene environment. A stone walkway leads to a spacious 20x20 shed allowing for plenty of room for all of your toys. A garden shed tucked at the back of the lot provides additional storage, while a downstairs covered lanai offers an ideal spot for entertaining, barbecuing, or unwinding in the shade. This property is as practical as it is beautiful, with a covered carport, trailer storage, room for pool and RV and plenty of parking for guests.
