Description

Welcome to this sophisticated home on a 1.12-acre lot in the desirable Foot Hill Area. Offering luxurious living space, this 5-bedroom, 5-bath residence features sunlit rooms with Brazilian cherry hardwood floors, soaring ceilings, and elegant millwork. The grand two-story foyer welcomes you with a striking wrought iron and wood staircase. The formal living room and dining room exude elegance with box beam ceilings, detailed molding, and abundant natural light. The heart of the home is the family room, complete with a cozy fireplace and clearstory windows, while the adjacent chef's kitchen boasts stainless steel appliances, Brazilian cherry cabinets, granite countertops, a center island, a reverse osmosis water system, and a walk-in pantry. The breakfast area opens to a deck for outdoor dining. Upstairs, the private master suite offers a lighted tray ceiling, a luxurious bath with a glass-enclosed shower, a whirlpool tub, and walk-in closets. Four additional bedrooms, 2 full baths, and a laundry room complete this level. The walk-out finished basement adds more living space, including a second laundry room and full bath, ideal for guests. This home includes a multi-zone HVAC system, a two-car garage, a 6-car driveway, and beautifully landscaped grounds with a patio. Schedule your private tour now!!!
