Description

Discover the lifestyle you've been dreaming of at The Park, in Chanhassen! This stunning Taylor floor plan by Lennar offers more than just a home-it's a way of life. Imagine gathering with loved ones in a gorgeous gourmet kitchen featuring a spacious center island, pristine white cabinets, upgraded quartz countertops, and a stylish backsplash, all illuminated by under-cabinet lighting. Whether you're hosting or unwinding, the cozy gas fireplace with shiplap surround sets the perfect mood. The main floor office is a perfect work from home space with beautiful French doors and a wonderful accent wall. Upstairs, enjoy the convenience of four spacious bedrooms, a versatile loft, and convenient laundry room. Retreat to your luxurious owner's suite with box ceiling detail, a huge walk-in closet, and a spa-like bath boasting a generous, tiled shower stall. The recently finished walk-out lower-level offers a built-in beverage area, fifth bedroom and a tastefully designed bathroom. Enjoy the custom patio and a generous backyard complete with irrigation, perfect for outdoor relaxation or entertainment. The patio is hot tub ready with the electrical installed and ready to go. Every detail is designed for ease and elegance-from the engineered wood floors throughout the main level, the spacious composite deck, to the smart home features included in the Connected Home package to the extended third garage stall for storing larger vehicles or toys. This home looks and feels like it is brand new and is ready to offer you a lifestyle of comfort, convenience, and peace of mind.
