## Description

This 5 Bed 2.5 Bath home has had upgrades in every space. New luxury vinyl plank throughout, paint throughout, floor-to-ceiling custom cabinets in the kitchen, a new extra large kitchen island with 3 cm granite countertops, a farmhouse sink, backsplash, double oven, an expansive pantry, and a whole home water filtration system. In the living spaces, we have an electric fireplace with floating shelves, new fixtures, vanities, cabinets, and countertops in all the bathrooms. Outside, we have an all-brick exterior, an expanded concrete pad with a canopy providing shade for hot days, and a fenced-in yard with a 10X10 storage shed. The Bentonville location is also great; it is conveniently located near schools, restaurants, and shopping.
