Description

Experience luxury living with this stunning waterfront property on Virginia Creek, featuring tidal access to the Intracoastal Waterway with 2-4 feet of water at the dock during low tide. Plus, this property can have boat ramp access at Harbour Village Yacht Club for a yearly fee. Surrounded by custom landscaping and a beautiful canopy of trees, this home offers exceptional privacy and natural beauty. The home features 3 spacious bedrooms, 2.5 bathrooms, a home office, and a versatile bonus room above the garage. The primary suite includes a renovated bathroom with luxury vinyl plank flooring, quartz countertops, soft-close cabinets, a soaking spa tub, a walk-in shower, and two closets. Hardwood flooring runs throughout the main living areas. At the heart of the home is a living room with a vaulted ceiling and gas log fireplace with a custom Italian marble surround. The large kitchen boasts a new refrigerator, a center island with a gas cooktop, and an attached breakfast room and multipurpose sitting area with views of the marsh and creek. Adjacent to the kitchen is a formal dining room. Off the living room is a sunroom with wood flooring and a tongue-and-groove ceiling. Exterior doors lead to a screened porch, upper and lower decks, and an impressive heated and cooled gunite pool. The pool includes a tanning ledge with bubblers, LED lights, an automatic cover, and built-in stools overlooking the creek. Underneath the home, is an oversized two-car garage with custom cabinets and shelving, and a walk-in crawl space with a second fridge and additional storage. Other property features include installed hurricane shutters, a newer HVAC system (2020-2021), a new water heater, and LeafFilter gutter guards. All toilets have been replaced, ensuring convenience and peace of mind. This home combines luxurious interiors with serene outdoor spaces for an exceptional living experience.
