Description

This beautiful house in Weston Hills Country Club features five bedrooms and three bathrooms in a split floor plan. The home boasts a spacious oversized lot with lush landscaping, creating an inviting entryway. The primary bedroom is generously sized with vaulted ceilings and hardwood flooring that accentuates the abundant natural light throughout the interior. The elegant decor and spacious layout provide a welcoming ambiance, with ample countertops and cabinetry in the kitchen, which is equipped with stainless steel and modern appliances, offering ample storage. Elegant architectural details and a covered patio lead to a spacious outdoor living area with a brick-paved patio, lush tropical landscaping, and a nice spacious yard.
