Description

Nestled in the highly sought-after Spencer Woods neighborhood of Shaler, this stunning colonial home offers timeless charm and modern amenities. As you step into the open 2-story foyer, you'll immediately feel at home. The thoughtfully designed open floor plan seamlessly connects the updated kitchen and the family room, making it perfect for entertaining. The family room features a gas fireplace and a custom barn door leading to the living room, while the kitchen boasts freshly painted cabinets and a central island. Step outside to the expansive Trex deck, which overlooks a level .75-acre backyard complete with a firepit for cozy gatherings. The covered patio beneath the deck offers additional outdoor living space. Classic details such as wainscoting and crown molding add elegance throughout the home. The primary suite includes 2 generously sized closets and an ensuite bath, while the oversized garage and a spacious kitchen pantry provide abundant storage.
