Description

A rare opportunity to own one of Old Palo Alto's best parcels on one of Old Palo Alto's best blocks. This beautiful large lot of almost 12,500 sq-ft, has a wide lot with incredible presence. This stunning lot is also a perfect opportunity to renovate or build new in the heart of Old Palo Alto. Spacious living room with stone-framed fireplace creates seamless transition to the expansive outdoor entertaining area with ample space for a multitude of activities. The home's expansive, open-concept floor plan is ideal for both everyday living and entertaining. Walls of windows flood the interior in natural light and provide beautiful views of the backyard. The completely remodeled modern kitchen opens to the dining area, featuring beautiful stone countertops, and newer stainless-steel appliances. 4 spacious bedrooms 3 updated bathrooms, newer hardwood floors. This home offers both comfort and functionality. Each bedroom has newer wall mounted heating/AC units. The prime suite with a large walk-in closet is overlooking the beautiful backyard with fruit trees. Large two car garage with extra storage. This is the property you have been waiting for. Only blocks to Downtown PA, Stanford, Cal Ave, Caltrain and top-rated PA schools.
