Description

Nestled in a lush green setting, this charming Provençal villa with bastide-style architecture embodies the charm and elegance of the South of France. Its spacious interior embraces the hallmarks of Provençal architecture, with terracotta floors, vaulted ceilings, and elements of plaster and stone, creating a warm and inviting atmosphere. The villa offers a total of 4 bedrooms, complemented by a large living area and a superb covered terrace extending from the kitchen—perfect for long, beautiful summer evenings. An independent building can be adapted as a gym, an office, or guest accommodation. The landscaped garden, a true oasis of tranquility, is a major asset of this villa. Olive trees, palm trees, cypress trees, and various types of bushes blend perfectly with the architectural style of the property.
