Description

An incredibly captivating and gracious two story corner home nestled in the prestigious Eagle Hill neighborhood! Natural light abounds with gleaming hardwood floors, vaulted ceilings, fresh paint, arched doorways, glass railed staircase and a multitude of skylights. Formal entry and spacious living room, highlighted with a strong central fireplace of stone, wall sconces and recessed lighting. Separate dining area with cathedral ceiling and pendant lighting. Kitchen that speaks with colorful stone and style. Stainless "smart" appliances, custom built-in pantry, angled ceiling, tall wine cooler, cabinets aplenty, large central window, double skylights, and unique curved island. Family room with built in home office and oversized glass doors that lead to private deck and enchanting backyard. Bedrooms exceptional in size and possibility. Updated baths, spacious and well positioned. Large primary ensuite with coffered ceiling, central fireplace, many windows, walk-in closet. Designer fixtures, large tub, double vanity and substantive glass shower. Custom window coverings, closet organizers, laundry area, EV charger, solar, zoned heat and A/C, tankless water heater, plenty of storage. Conveniently located near parks, schools, transportation, medical, fine dining and shops. A Must See!
