Description

Waterfront, renovated house ideally located, a few meters walk from the Nartelle beach, offering a spectacular view of the sea and the Gulf of Saint-Tropez. The villa consists of a large living room entirely open to the outside, allowing you to fully enjoy the sea view. The living room has a fireplace, adding a warm atmosphere, and the kitchen is fully equipped and opened. Four bedrooms complete the interiors. Two large terraces offer the opportunity to take full advantage of this breathtaking panorama. Carport, parking spaces. Reversible climate control. Optical fiber. It is also possible to install a mooring for boat. The perfect foot-to-earth on the water, a very sought-after location for this villa with rare assets...
