Description

Welcome Home! This stunning three-bedroom / three-and-a-half bathroom home with all the upgrades is a modern marvel. As you open the door, the home welcomes you with 9-foot ceilings. The chef in you will adore the ultra-modern kitchen with the large island, sleek quartz countertops, custom cabinets, walk-in pantry, gas cooktop, double oven with convection, stainless steel appliances, and built-in microwave. The open floor plan, combined with the dining and family room and the kitchen, makes entertaining a joy for all. Other features on the main floor include a gas fireplace, plantation shutters, a utility room with a built-in drop zone, crown molding, and upgraded lighting. The second floor features the primary bedroom with a walk-in closet and a wonderful bathroom with dual vanity sinks, a garden tub, and a separate shower. The secondary bedrooms are in the front house, which is perfect for the kids or an office. The third floor holds a delightful surprise! The HUGE bonus room is a blank canvas with endless possibilities - the full bathroom gives guests their space or a playroom for the kids and the adults. The backyard, with its wooded tree line, offers a sense of security and seclusion. Make this your next home!!!
