Description

The property is located on the second floor of the building (with lift), It has a built area of 1.84m², that is divided into three large double bedrooms, three en-suite bathrooms (with showers), a guest toilet, an intergrated fully equipped kitchen, a laundry room, an office space, a good sized living/dining room with access to the balcony overlooking the marina and the bay of Alcúdia. Entering the property we find a spacious hall with a large wardrobe on the right side. If we go to the left we find the good sized living/dining room, the balcony with views of the promenade and the beautiful bay of Puerto de Alcúdia and the spacious kitchen. In the same kitchen we find the laundry room, totally independent separated by sliding doors. If we go back to the entrance hall and go to the right side of the property we find the three huge double bedrooms with three en-suite bathrooms, all of them with showers. In all the rooms there are fitted wardrobes and windows that allow natural light to enter. At the connection point of the three rooms we find a spacious room that at the moment is being used as an office space. Here we also find the guest toilet. There is video surveillance throughout the property, and included in the price there is also a parking space (located in a neighbouring building), hot/cold air conditioning. It is ready to move in, and is an ideal apartment to live all year round and for families as it is close to schools, health center, restaurants, areas entertainment, supermarkets etc. The property is sold fully furnished.
