Description

Welcome to the house you've been dreaming of! This home is situated on a corner lot- almost a quarter of an acre! As you walk into the house, you're greeted by a formal living room. As you mosey into the kitchen, you'll find stainless steel appliances, ample cabinet and counter space and a large pantry right off the dining area. The dining room leads to the expansive, gorgeous back yard. Up the stairs, you'll find 3 bedrooms and 2 full bathrooms that have been updated! Past the kitchen, you will find the family/living area that also features a sliding glass door that leads out back! The basement features new flooring, 2 additional bedrooms, the utility closet, a full bathroom and the laundry area. And yes! This home has central air, too! In the backyard, You will feel like you're miles away from your neighbor! The backyard is massive and features an automatic sprinkler system. As an added bonus, the trampoline stays! There's plenty of storage in the shed outside for all your yard tools- or turn it into a workshop shed! The location of this property is ideal for anyone. Come check out the many reasons you should make this house, your home!
