Description

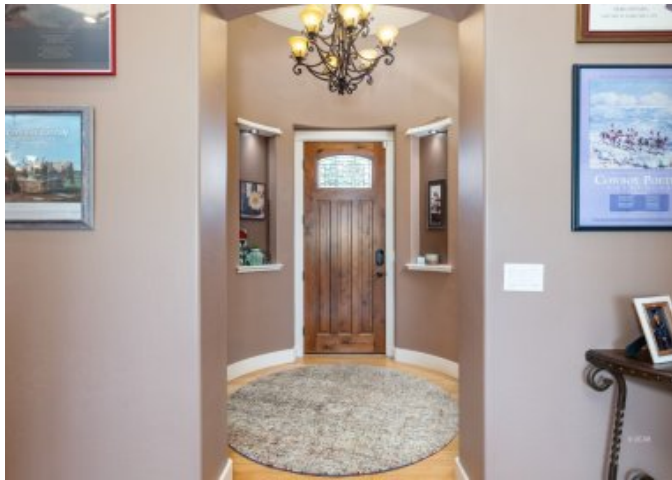

Sitting on over a quarter acre lot & perched just above the 4th hole of the golf course, this home has so many stunning details, inside & out, you're sure to be blown away. First you will see the meticulously laid paver driveway & the multiple exterior living spaces. Inside you will appreciate the cabinetry in the office, the surround sound & entertainment system in the media room/4th bedroom, & then the soaring 14 ft ceilings of the great room, huge picture windows, built-in bookcases, & the spectacular kitchen. The kitchen features a 6 burner stove, double ovens, copper sinks, lots of counter space, & huge pantry. The home also boasts a split bedroom floor plan. The primary bedroom has an ensuite bathroom w/a large soaker tub, double vanities, walk-in shower & walk-in closet w/built-in closet system. The other two bedrooms also have unique touches like window seating, built-in bookcases, custom closet systems, & are joined by a very large Jack & Jill bath. Last is the large laundry, built-in mudroom, & custom storage in the garage. Outside is a huge covered patio, terraced gardens, mature trees, & incredible views. This home also offers a bi-directional solar system. See List
