Description

Perched on a high floor, this renovated Siena model spans over 2,230 square feet with 2 bedrooms, 2.5 baths, and a converted den that functions as a guest suite and office. Two balconies frame sweeping views of the ocean, Intracoastal, and city skyline. The kitchen is outfitted with custom granite counters and backsplash. The primary bath combines marble, quartz, and a built-in spa for a true retreat experience. The building has undergone a full transformation with upgraded elevators, redesigned common spaces, and a new reception. Residents enjoy access to a staffed private beach pavilion, 24-hour security, and full-service amenities. Sophisticated finishes and a clean transitional style make this a polished, turnkey coastal residence.
